KYLE JOHNSON Minnesota License No. 56488

Statement of Evidence:

Northeast Corner of Section 06, Township 107 North, Range 43 West, 5th Principal Meridian, Murray County, Minnesota.

- 1861- GLO set a post, deposited charcoal and made mound of earth with trench and pits.
- UNKN- Survey in section 6 shows a distance from the NW to the NE of section 6. does not state what was found or set.
- 2000- Lyle Moseng, LS11943, found an iron over a stone while surveying in Section 31.
- 2000- Lyle Moseng, LS11943, filed a corner record stating he found a 14x14x16 stone and set a 5/8" rebar with cap at the road surface. No ties were made.
- 2007- Chris Moehrl, LS40853, filed a corner record stating he found a 5/8" rebar with cap LS11943 and notes 3 ties.
- 2014- Murray County Section Corner website notes a 5/8" rebar 0.3' deep at center of intersection.
- 2022- Westwood Professional Services found a 5/8" rebar with cap LS11943 and 2 ties of unknown origin. Distances agree with previous survey in Section 6. Accepting corner location and set 1 tie.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
