Statement of Evidence:

East Quarter Corner of Section 15, Township 107 North, Range 39 West, 5th Principal Meridian, Murray County, Minnesota.

1861 July, GLO Notes: Set post in mound.

2010 August, A survey in Section 15 by Perry Zieske does not show anything at the corner and appears to assume the corner is lost. Shows the east line of the section measuring 5295.31ft.

2020 December, Westwood Professional Services excavated with a backhoe and found remnants of an old wood post. I accepted this as the best available evidence for the corner and set a $\frac{1}{2}$ " rebar with cap LS 45874 above wood stake (0.5ft below grade) and reference ties.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
