Statement of Evidence:

East Quarter Corner of Section 21, Township 107 North, Range 39 West, 5th Principal Meridian, Murray County, Minnesota.

July 1861 Set post in mound.

Aug. 2006 Corner Certificate filed by Perry Zeiske says he dug with a backhoe and found nothing. He set the

corner (doesn't say what he set) midway and online between section corners. He lists the Murray

County coordinates: N: 176701.48 E: 564167.81

Sept. 2020 Westwood Professional Services searched and found a rebar with cap LS 23008. Coordinates fit

those listed on the 2006 Corner Certificate. I accepted the found monument and set reference

ties.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
