JASON LATZKE Minnesota License No. 45874

Statement of Evidence:

North Quarter Corner of Section 13, Township 107 North, Range 39 West, 5th Principal Meridian, Murray County, Minnesota.

- 1861 July, Set post in mound.
- 1954 A survey record for Section 13 shows an iron stake in center of grade.
- 2011 August, A survey in Section 12 by Perry Zieske shows a found iron monument at the corner. He shows a distance of 2649.89ft to the Southeast corner of Section 12.
- 2020 September, Westwood Professional Services searched and found a No. 4 rebar. The position fits the 2011 Zieske survey well and accepted as the corner.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
