JASON LATZKE Minnesota License No. 45874

Statement of Evidence:

North Quarter Corner of Section 16, Township 107 North, Range 39 West, 5th Principal Meridian, Murray County, Minnesota.

- 1861 July, GLO Notes: Set $\frac{1}{4}$ section post.
- 2019 December, A survey in Section 9 by Jesse Zieg shows that a capped rebar was found at the corner. He shows that a distance of 2652.72ft to the SE section corner and 2636.60ft to the SW section corner.
- 2020 September, Westwood Professional Services and found a rebar wit cap LS 23008 at the corner. The position fits with the 2019 survey data. I accepted the found monument location and set reference ties.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
