## JASON LATZKE Minnesota License No. 45874

## Statement of Evidence:

North Quarter Corner of Section 17, Township 107 North, Range 39 West, 5th Principal Meridian, Murray County, Minnesota.

- 1861 July, GLO Notes: Set post in mound.
- 1901 May, Survey record for Section 17 shows a stone and pits at the corner.
- 2020 December, Westwood Professional Services excavated with a backhoe and found a 14x8x6" stone very close to the road surface laying on its side. Possibly the 1901 stone, but has been obviously disturbed and I considered the corner lost. I buried the stone at a depth of 2.5ft and set a  $\frac{1}{2}$ " rebar with cap LS 45874 at the single prorated distance. The stone is about 3.5ft north and 4.2ft west of my iron.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
