DOCUMENT NO. _____

Statement of Evidence

On August 29, 2008 Bueltel-Moseng Land Surveying dug with a backhoe and found nothing. We set a 1 inch pipe with seal #43844 in the centerline of the road to the north and south and by projection line from the southeast corner (stone) through the south quarter corner (bolt over stone). We think the stone may have been taken out during the construction of the existing drainage ditch.
