MONUMENT DESCRIPTION AND REMARKS: On November 6, 2013 we dug with backhoe for NE Corner & found a 6" X 10" stone 2.6' below surface at centerline of intersection. County Highway records show no information for corner. I accepted stone as true corner & set 5/8" Iron Stake with survey cap 23008 over top center of stone. Also dug with backhoe for East 1/4 Corner & found no evidence of corner. County records show no information for corner. I therefore set a 5/8" Iron stake midway & online between NE & SE corners as per PLS Instructions. I also set a survey marker with cap 23008 at West 1/4 Corner at centerline of County Highway Number 42 in line with fence East as accepted & occupied line.
