DOCUMENT NO. \_\_\_\_\_

**Northeast Cor. Sec. 3 T108N-R41W**

*Statement:*

- September 1856 Original Government Land Office Surveyor L. G. M. Fletcher records in his field notes, "set post ... built mound with trench pits, charred stake per instructions."*
- Aug. 22, 1899 J. W. Woolstencroft, County Surveyor, records in the County Surveyor's Record Book page 90 "Gov. Mound & Stake" while doing survey work in Section 3.*
- May 31, 1989 Duane A. Bonnema, LS Reg. No. 14895, found a 7" x 7" x 15" stone with a wooden stake alongside 2 feet below the road surface. The wooden stake doesn't appear to be the one set by Fletcher in 1899. Natural ground was 2 1/2 feet below road surface. The hole was dug to a depth of 5 feet and no additional evidence was recovered. A Minnesota Department of Transportation Cast Iron Monument was placed near the road surface..*
