## JASON LATZKE Minnesota License No. 45874

## Statement of Evidence:

Northeast Corner of Section 32, Township 107 North, Range 39 West, 5th Principal Meridian, Murray County, Minnesota.

No GLO notes found.

April 1981	Highway Department records show a found concrete monument, and placed a steel pin over it.	
April 2011	Corner certificate filed by LS43844 shows a found PK nail and replaced with survey spike and seal #43844. He lists the Murray County coordinates (1996 adj.) as N: 168755.25 E: 558896.85	
Sept. 2020	Westwood Professional Services searched and found survey spike and disk at the corner. Coordinates with 2011 corner certificate. Did not recover any ties, set three new ones.	

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
