North Quarter Corner of Section 07, Township 107 North, Range 43 West, 5th Principal Meridian, Murray County, Minnesota.

1866- GLO set a post in mound of earth.

2022- Westwood Professional Services found a nail over a spike with ribbon and a t-post with ribbon below the other monuments. Accepting the t-post as the corner location as its the best available evidence. Set 3 ties.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
