Statement of Evidence

EAST QUARTER CORNER SECTION 12, T106N, R40W OF THE 5th P.M.

In 1861 J.W. Myers did the original survey of the township lines.

A survey dated April, 1977 notes a field stone located 3" below grade.

County records dated March 31, 2005 shows Zieske Land Surveying placed a gin spike at the corner.

County records dated May 25, 2012 shows a capped iron pin located at the corners.

On June 28, 2024 Bueltel-Moseng Land Surveying found a capped iron pin. Returned on July 24, 2024 and dug with a backhoe and found a large pointed field stone. Returned on January 30, 2025 and set a $\frac{5}{8}$ " iron with seal #43844 over top of the stone.
