Statement of Evidence

E1/4 22-107-40

In June of 1861 J.W. Myers surveyed the township lines.

In September of 1861 L. Brockmann subdivided the township lines.

On November 17, 2022 Bueltel-Moseng Land Surveying searched the area and found nothing. Set a $\frac{5}{8}$ " iron with seal #43844 midway and on line between the section corners. Corner fell in the intersection of well established occupation lines.
