System Murray County Datum NAD83 (1996)

Statement of Evidence

E1/4 29-107-42

In 1861, L.G.M. Fletcher did the original subdivision of the township.

In 1934, the Murray County Highway Department set a concrete block at the corner.

On June 15, 2015, Bueltel-Moseng Land Surveying found a 5/8" iron stake under the north side of rock. They set a 3/8" iron over the 5/8" iron.

On July 24, 2019, Bueltel-Moseng dug with backhoe. We found a 3/4" iron. We removed the iron and continued digging. We found a stone 1'± below surface. We removed the stone and continued to dig. We did not find anything else. We held to the center of the stone at the corner.

On August 13, 2019, Bueltel-Moseng Land Surveying set a 5/8" iron with seal #43844 at the corner. It is in the center of the road and in line with the fence to the west.
