- FOUND MONUMENT
- SET MONUMENT

Minnesota State Plane Coordinate
System Murray County Datum NAD83 (1996)

Statement of Evidence

NE 6-107-42

In 1861, J.W. Myers did the original survey of the north line of the township.

On September 12, 1927, the Murray County Surveyor established the corner using the township corner and the southeast corner of Section 32-108-42 on the township line.

On May 31, 2018, Bueltel-Moseng Land Surveying dug with a backhoe in the center of the road and in line with the occupation lines north and south. We found a 12" pointed field stone 1.5'± below the road surface. We also found a 3/4" iron and the remains of a wood stake under the stone. We lowered the stone and set a 5/8" iron with seal #43844 over it.

N1/4 6-107-42

In 1861, J.W. Myers did the original survey of the north line of the township.

On May 31, 2018, Bueltel-Moseng Land Surveying dug with a backhoe in the center of the road and in line with the occupation line to the north. We found nothing. We set a 5/8" iron with seal #43844 on line and proportionate distances between the section corners.
