Statement of Evidence

In 1866, J.W. Bishop did the original subdivision of the township.

On June 25, 1902, J.W. Woolstencroft recorded a 10"x12"x16" stone at the corner.

On May 4, 2014, Bueltel-Moseng Land Surveying dug with a backhoe and found multiple stones that fit the description. We held to the stone that best fits the occupation lines. Set $\frac{5}{8}$ " iron with seal #50343 over found stone at the surface of road. It is in centerline of road and in line with fence to the north.
