**UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE FOR**

Land survey monuments situated in Section 28, Township 106 North, Range 41 West, of the Fifth Principal Meridian, Murray County, Minnesota..

Previously recorded in N/A in County Recorder's Office.

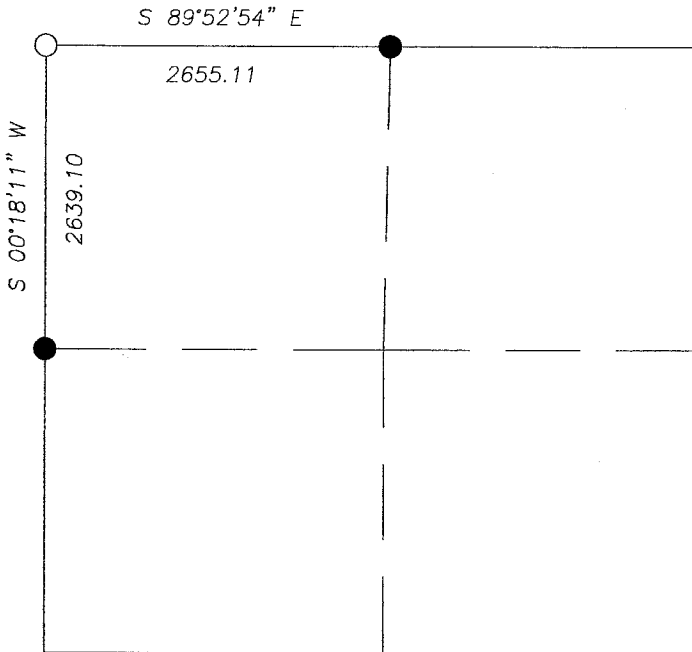

(Show reason for preparing this certificate, the evidence and detailed procedure used in establishing the corner position & monumentation found or placed.)  
MONUMENT DESCRIPTION AND REMARKS: On April 1, 2014 we searched for NW corner of Section & found

nothing. Could not dig in state highway and old records indicated no information for corner. We therefore  
set a survey marker with cap 23008 at centerline of Highway 267 in line with fences East & West. I  
accepted this as the true corner by practical location & as occupied.
