

CERTIFICATE OF LOCATION OF GOVERNMENT CORNER

Corner to Sec. 18 T. 105 N. R. 41 W. No. -----

State of Minnesota, }
County of Murray } ss.

I hereby certify that on the 7th day of November 1978
I ^{set} found the South Quarter corner of Section 18, T. 105 N., R. 41 W.

which was evidenced by the intersection of the north-south quarter line fence and center line of an east-west township road

and I further certify that to perpetuate the location of such corner, I did, at the exact location thereof, place a permanent marker consisting of 1/2" x 20" iron reinforcing bar with "Martin R.L.S. 12967" yellow plastic cap

I further certify that I established Five (5) reference or witness monuments consisting of galvanized nails with brass discs stamped "L.S. 12967" and/or others as described which reference or witness monuments are located in the manner following:

Power Pole: Southwest: 83.28'; Fence post: Northwest: 67.04';
Corner fence post: North: 33.05'; South Section Corner: East: 2629.84';
Southwest Section Corner: West: 2571.83';

Statement of evidence used:

G.L.O.: "Set quarter section post, made mound with trench and pits as per instructions"; Survey by Wellman & Smoot, August & September, 1861;

Subsequent Resurveys & procedure used to verify or reset this corner:

None of record;

Excavated at occupied corner without recovering the original G.L.O. monument. After considering the measurements east and west from the existing intersection of the north-south quarter line fence and center line of the township road, the corner was reset at this point. This evidence was determined to be the best perpetuation of the obliterated government corner's location.

Dated at Worthington, Minn., this 13th day of November 1978

Mary S. Martin
-County Surveyor for Highway Engineer-
Registered Land Surveyor
Minnesota Reg. No. 12967
