MURRAY COUNTY RECORDER

Land survey monuments situated in Section 6, Township 108, Range 42, 5TH P.M.

STATE OF MINNESOTA, County of Murray

Murray County Coordinate System (1996 Adj.)

Statement of Evidence

Section 6, Township 108 North, Range 42 West of the 5th P.M.

September 1858 - W.J. Neely surveyed the north township boundary.

August 1861 - J.W. Myers surveyed the east, south, and west township boundaries.

September 1861 - L.G.W. Fletcher subdivided the township.

West Quarter Corner

September 14, 1899 - A survey of Section 1-108-43 notes a stone in the road at the corner.

November 21, 2023 - Bueltel-Moseng Land Surveying dug a large hole with a back hoe and found a 2"x2" wooden stake, we recorded the position and continued digging down to natural ground and found nothing else. We accepted the location of the wooden stake.

November 28, 2023 - Bueltel-Moseng Land Surveying set a $\frac{5}{8}$ " iron with seal #43844 at the location of the found wooden stake.

Southwest Corner

September 14, 1899 - A survey of section 1-108-43 notes a stone in grade 6 feet north of center at the corner.

July 7, 2016 - County records note a #4 rebar with no survey cap 1.75 feet below the surface of the road. It notes the iron being 2' west of the N-S road center line, on the center line of road going west, and 2' north of the center line of the road heading east.

November 21, 2023 - Bueltel-Moseng Land Surveying dug with a backhoe and found a large field stone in the intersection. Accepted the stone as the corner.

November 28, 2023 - Bueltel-Moseng Land Surveying set a $\frac{5}{8}$ " iron with seal #43844 over top of the stone.

South Quarter Corner

November 28, 2023 - Bueltel-Moseng searched the area and found no evidence of the corner. We set a $\frac{5}{8}$ " iron with seal #43844 at single proportionate distance between the section corners and in the center line of the township road.
